

7th-Edition EMENA

International Conference on Intelligent Systems and Smart Technologies INTELSYST 2026

Fez, Morocco 22 to 24 October, 2026

*Conference Scope:

INTELSYST 2026 is part of a Europe Middle East and North Africa conference series founded in 2011. It has evolved into a multi-track interdisciplinary meeting featuring prestigious invited talks, oral and poster presentations (and online) of peer-reviewed papers. The event also includes a professional exposition focused on practical applications of AI, Machine Learning, Computer Sciences, Cyber Security, and thematic workshops that foster informal and stimulating exchanges and collaborations. Conference with participants from over 56 countries. The host **Fez is city of University of AL Quaraouiyyine**, founded in 859 AD and recognized by UNESCO and the Guinness World Records as the oldest existing, continually operating educational institution in the world.

*Topics including but not limited to the following:

- ✓ **Track 1: AI Foundations, Machine Learning & Deep Learning**
- Focuses on the core algorithmic advancements and theoretical breakthroughs.
- ✓ **Track 2: Data Science, Big Data & High-Performance Computing**
- Focuses on massive data processing, knowledge discovery, and computational infrastructure.
- ✓ **Track 3 : Cyber Security, Trustworthy AI & Ethics**
- A critical pillar focusing on security, privacy, and the responsible deployment of AI.
- ✓ **Track 4 : Intelligent Systems, Robotics & Communications**
- Focuses on the intersection of AI, autonomous physical systems, and next-gen networking.
- ✓ **Track 5: Applied AI & Domain-Specific Solutions**
- Focuses on vertical domain-specific applications and real-world impact.

*Exclusive Keynotes Program:

We are deeply honored to announce that **INTELSYST 2026** will feature a truly exceptional Keynote Speakers: a recipient of the prestigious **A.M. Turing Award Laureate** often referred to as the "**Nobel Prize of Computing**", a Internationally renowned inventor and World's Top 1% Scientist by Stanford University, Elsevier.

* Important Dates :

- Submission Deadline: **30 June 2026**
- Notification to Authors: **15 July 2026**
- Camera-Ready: **15 August 2026**
- Registration: **20 September 2026**
- Workshop Proposal: **30 June 2026**

* Paper Publication :

All accepted papers will be published in Indexed Proceedings by **Springer**. Best papers Awarded. Authors of the high-quality papers will be invited to extend them for publication in international journals indexed by WoS/SCI, SCOPUS and DBLP, among others.
